

When Axiom products are concealed or in contact with screed, tile bed or another item that could cause corrosion, Axiom products must be adequately protected to prevent any corrosion.

It is the installers responsibility to ensure that any dissimilar metals are kept separated. Axiom Group recommends the use of nylon washers to keep dissimilar metals separated.

* Read this drawing in conjunction with the relevant engineering drawings. All products must be installed as specified by the engineer.

Style: AxiLume Frameless Balustrade
 Suite: Seascape Suite
 Product: Mini posts core fixed into position with ARN handrail.
